Insurances for our “STAY JAPAN” Traveler

To ensure everyone can use our service safely, we sign up Traveler in several insurances.

1. Damage compensation for sudden accidents that occurred during the accommodation period (up to ¥30,000,000 per accident)

(Examples for concerned accidents)

Damages made during the accommodation on furniture or equipment installed in the accommodation property

Injuries caused by a third party when went out for shopping

Causing water damages to the apartments below after forgetting to stop tap water

2. Injury compensation for injuries caused in sudden accidents that occurred during the accommodation period

(Examples for concerned accidents)

Falling over in the accommodation facility and end up being hospitalized

Death caused in traffic accidents

3. Medical care consultation service for emergencies during the accommodation period (only for foreign visitor)

In cases when the traveler's condition became worse suddenly, a specialized physician or experienced nurse can be reached by phone and can give a medical advice depending on the traveler's condition and symptoms. In addition, life-saving work at emergency center resides on a 24-hours a day, 365 days a year call center "Acute Care Physician" and works in conjunction with the nurse.

On request, recommending nearby hospitals and clinics or emergency institutions with nighttime hours out of 450,000 nationwide is possible

Support in Japanese, English, Chinese, Korean, Portuguese and Spanish

* The payment of the insurance compensation will be handled by the insurance or medical service company based on the contents of the insurance contract.

*To be prepared for any troubles that may occur during your journey, we recommend you to have an additional private insurance
